

Academic Appointments

Instructor, UNIV 301: Transfer Success Seminar

California State University, Northridge | Fall 2025

- Teach a 1-unit seminar for first-time transfer students across all majors.
- Guide students in navigating university life, academic expectations, and available resources.
- Provide instruction on career readiness, including résumé and LinkedIn development.
- Support students in developing graduation roadmaps and post-graduation plans.
- Facilitate weekly sessions through Canvas LMS, reflective writing, and peer discussion.
- Mentor students on time management, organization, and professional growth.
- Participate in faculty collaboration, assessment, and professional development events.
